ISSUES

OTP – Amount Subject to Indiana OTP Tax

A company ("Taxpayer") is seeking an opinion as to whether Indiana Other Tobacco Products ("OTP") tax is applied to the price of tobacco products before or after federal excise tax is imposed.

Authority: [IC 6-7-2-6](#); [IC 6-7-2-7](#).

STATEMENT OF FACTS

Taxpayer provides the following facts regarding its request for a revenue ruling. Taxpayer, which operates a retail tobacco products business, requests guidance on the amount subject to Indiana OTP tax. In pertinent part, Taxpayer provides:

Do Indiana cigar retailers have to pay the Indiana OTP tax on the portion of wholesale cigar invoices that is designated by the manufacturer submitting the invoices as the amount being charged for the Federal Excise Tax (FET), or SCHIP tax?

DISCUSSION

[IC 6-7-2-7](#) provides, in pertinent part:

A tax is imposed on the distribution of tobacco products in Indiana at the rate of twenty-four percent (24%) of the wholesale price of the tobacco products.

[IC 6-7-2-6](#) states:

As used in this chapter, "wholesale price" means the price at which the manufacturer of the tobacco products sells tobacco products to distributors, excluding any discount or other reduction.

While [IC 6-7-2-6](#) excludes "discounts" and "other reductions" from the definition of "wholesale sales," federal excise tax is not excluded. Accordingly, the term "wholesale price" includes federal excise tax. Therefore, the tax imposed by [IC 6-7-2-7](#) applies to the wholesale price of tobacco products, which includes all federal excise taxes that have been imposed.

RULING

Indiana's OTP tax applies to the wholesale price of tobacco products, which includes all federal excise taxes that have been imposed.
